### **Norwood-based Heartillery Group, who sent more than 220,000 cards and 3,000 care packages to troops since November 2013, receives grant from Dunkin' Donuts Foundation**

NORWOOD, MA: After sending more than 220,000 cards and 3,000 care packages to troops overseas, the Heartillery Group is thrilled to receive a \$5,000.00 grant from the Dunkin' Donuts & Baskin-Robbins Community Foundation (DDBRCF).

The Heartillery Group shares the same passion as the DDBRCF, which is to serve our neighborhoods through hunger relief, children's health and safety initiatives. "In addition to supporting our troops overseas, we strive to help local servicemen and women who could benefit from our assistance," notes Emily Spencer, founder of The Heartillery Group. "With such a generous donation, we can create many more collection and care boxes to share with our troops. We're honored that Dunkin' Donuts sees the value in what we do."

The Heartillery group's packages include everything from new socks to beef jerky and toiletries—plus an array of cards with personal messages from community members. The Heartillery Group is actively working toward its goal of sending 8,000 cards and 6,000 care packages by the end of 2017. "With support from organizations like Dunkin Brands, we're well on our way," exclaims Spencer.

Spencer received this 2014 Foundation Grant from Tom Manchester, Vice President of Field Market for Dunkin' Brands at its Canton headquarters on August 6, 2015.
